

Brian Bjornson, first male finisher.

Bjornson - Tomlinson New Champs Of Royal Victoria Marathon

The 3rd Annual Royal Victoria Marathon is now history. The confusion as to whether the door was opened for a new champion was unknown until minutes before the race.

Race co-ordinator Alex Marshall announced to an excited crowd that two time winner Tom Howard had to withdraw due to an injury. Howard was unexpected to attend but a week before the race he announced he would run.

The new winner of this year's Marathon was Brian Bjornson he was closely followed by his brother Barry. After running fourth and fifth respectively, the battling Bjornsons moved to the front with

Lesley Tomlinson, first women finisher.

CONTINUED FROM PAGE 6

Barry shadowing his brother for the last six miles. The 27 year old Burnaby-based Brian won in 2 hours, 25 minutes, 46 seconds, easily beating his previous best time of 2:27:23 while Barry, 28 and from Coquitlam, who only began running seriously 18 months ago, was six minutes faster than his best with a 2:27:22 clocking.

The first women runner home was West Vancouver's Lesley Tomlinson in a time of 2:56:02 and was 69th overall. Lorna Smith of Vancouver, was the second women home with a time of 2:59:20, 84th overall.

It was a tight pack for the first 13 miles of the double loop race. Local Tom Mitchell was up front and at one point led. Bob Nicklin of Vancouver, who was second to Howard last year, and Mark Oryel of Hamilton along with the Bjornson brothers and Al Howie led the 800 entries.

Oryel came third 2:30:31, Richard Palfrey of Victoria finished fifth in 2:30:52 and Nicklin staggering and needing some support at the finish line was sixth in 2:37:31.

Seventh in the field overall and winner of the pre-masters (age 30 to 39) title was Howie in 2:38:36. Masters (40 to 44) champion Garth Ball was an excellent eighth and two more Victoria runners—John Jordan and Peter Dunnitt—rounded out the top 10 placings overall and finished second and third respectively behind Howie in the pre-masters class.

Once again, one of the most popular competitors in the field was 76-year-old Hugh Clifford of Vancouver, who got a huge cheer from the crowd as he passed the half-way mark in a fraction over two hours. Clifford, who had been to see his doctor a couple of days previously because he wasn't feeling too well, had only come over to run the first lap of the course.

But it was a nice day and the oldest just kept going, completing the whole 26 miles in 4:15:26.
