Marathon – Half Marathon – 8K Road Race – Thrifty Foods Kids Run

Road Closures

Saturday, October 6, 2018 and Sunday, October 7, 2018

On the morning of Sunday, October 7th over 8,000 people will participate in the GoodLife Fitness Victoria Marathon. The races (Marathon Early Start – 6:30 am, Marathon and Half Marathon — 8:00am, 8K – 8:50am, and Thrifty Foods Kids Run – 10:15am) start near and finish in front of the BC Legislative Buildings. Runners will finish the events by 2:00pm.

The Marathon will affect vehicular traffic in the following areas: Downtown, James Bay, Cook Street Village, Beacon Hill Park, Fairfield, Oak Bay and Uplands. Police, city staff and race organizers are working to ensure a safe route for the participants and the community. Residents and commuters should expect delays, and be prepared to use alternate routes. Times for road closures are approximate. Roads will be re-opened on a rolling schedule as the participants pass through the various neighbourhoods.

Important: No parking is allowed on the race route. No parking, special event signs will be put up in the City of Victoria and cars will be towed from the course on Sunday morning.

Extended complete closures for set up, use, and take down of start, finish, recovery and support areas.

Saturday, October 6, 2018	
1100–2400	Belleville between Menzies and Government (in front of BC Legislature)
Sunday, October 7, 2018	
0000–1800	Belleville between Menzies and Government
0400-1330	Dallas between Cook and Douglas
0500–1630	Belleville between Government and Douglas; Government between Superior and Humboldt — except access lane to Empress Hotel porte cochère from Humboldt
0500–1130	Menzies between Belleville and Superior
0500–1530	Belleville between Oswego and Menzies

Full rolling closures along race routes while runners pass — approximate times in following schedule. Intermittent access across the race route (Police patrolled) will be provided for:

- **Douglas** at Johnson;
- **Yates, Fort, and Fairfield** at Cook;
- **Chandler** at Richmond;
- **Foul Bay** at Richardson/McNeill

Set up of cones, pylons, signs and aid stations along the course will start around 3am, with take down in the hours after the race has passed. Cautious, controlled access may be permitted in this extended time. Please slow and heed traffic control personnel, road marshals, cycling officials and other volunteers.
