Dear Visitor,

INFORMATION FOR GETTING TO AND FROM THE COHO FERRY

Please be advised that the Victoria Marathon is taking place on Sunday 7th October from 8:00am to 2:00pm. Road closures for this race may interfere with you with getting to or from the Coho Ferry via your planned route so please review the attached map, plan a new route, and allow yourself a little extra time. Please find a map below to assist you in getting to your destination. It is designed to get you into the race area which is close to the Coho, or out of the downtown core and away from the race area as easily as possible.

Please speak to the police or road marshals if you are delayed while waiting to cross any intersections. Explain that you're trying to get to the Coho or Victoria Clipper ferry and they will assist you to cross the race course safely.

If you are departing from Victoria, the Coho staff suggest that you arrive at the ferry terminal and park your car as early as possible prior to departure.

And if you're arriving in Victoria on the inbound sailing, please be patient when disembarking. Police and road marshals will help you to cross the race route when it's safe.
